

Honeywell Product Overview

Handheld Scanner 1D

Product	Eclipse 5145	Voyager 1200g	Voyager 9520/40	Voyager GS 9590	VoyagerBT 9535	Fusion 3780	1300g	3800i / 3820i	
Description	Page 60		Page 61	Page 63		Page 62	Page 63	Page 64	
Characteristics	<ul style="list-style-type: none"> Entry-level version Hand-held laser scanner with CodeGate/Code-Sense for standard and high-density codes 	<ul style="list-style-type: none"> New generation of the best-selling laser scanner in the world Use as hand or presentation scanner Multi-interface: USB, KBW and RS232 in one device 	<ul style="list-style-type: none"> Hand-held laser scanner with included accessories Successor model to MS951 Model 9540 with CodeGate for targeted scanning 	<ul style="list-style-type: none"> Hand-held reader for different applications Ergonomic pistol grip Implemented CodeGate technology for pinpoint precision scanning 		<ul style="list-style-type: none"> Light-weight wireless scanner with Bluetooth and CodeGate-Technology 	<ul style="list-style-type: none"> Presentation hand-held scanner Very handy and suitable for various applications 	<ul style="list-style-type: none"> Highly ergonomic linear imager Extremely robust: no moving parts thanks to linear imager technology 	<ul style="list-style-type: none"> Linear imager with fall and impact resistant housing (drop height 2 m) Sealed against dust and moisture (IP54)
Special Features	Also suitable for small bar codes, bar code lists/ menus (targeted scanning)	Perfect For all POS applications as hand-held or presentation scanner	For all POS applications as hand-held or fixed scanner	For all hands-free POS applications	Transceiver/charging cradle for wall-mounting or tabletops included	Scanner stand and cables included	Multiple optics variations (standard, HD and PDF)	Available as cable and Bluetooth version	
Warranty	36 Months	60 Months	60 Months	60 Months	24 Months	36 Months	60 Months	36 Months	

Handheld Scanner 2D

Product	Xenon 1900 / h	Xenon 1902 / h	FocusBT 1690	4600g	4800i	4820i	6300i / 6320i	
Description	Page 67	Page 67	Page 65		Page 68	Page 68	Page 68	
Characteristics	<ul style="list-style-type: none"> Sixth generation omnidirectional area imager Powerful Adaptus Imaging Technology 	<ul style="list-style-type: none"> Sixth generation omnidirectional area imager Powerful Adaptus Imaging Technology With Bluetooth Interface 	<ul style="list-style-type: none"> Area imager bar code scanner Reads 1- and 2-D bar codes (including PDF 417, Matrix and Postal Codes) With Bluetooth Interface 		<ul style="list-style-type: none"> 2D imager for retail, office and gastronomy OCR data collection for identity verification, such as ID cards 	<ul style="list-style-type: none"> Area imager reads 1D and 2D bar codes and scans digital images Fall and impact resistant (fall height 2 m) Different scanning ranges: SR and SF 	<ul style="list-style-type: none"> Area imager reads 1D and 2D bar codes and scans digital images Fall and impact resistant (fall height 2 m) Different scanning ranges: SR and SF 	<ul style="list-style-type: none"> Professional scanner for direct part marking applications Robust industrial scanner (IP54) Different scan ranges for diverse applications
Special Features	Optional in a healthcare version with disinfectant-ready housing	Optional in a healthcare version with disinfectant-ready housing	Scanner stand and CodeGate technology included	Available as cable or Bluetooth versions and with disinfectable surface	Available as cable or Bluetooth version	• With Bluetooth Interface	Available as cable or Bluetooth version	
Warranty	60 Months	36 Months	60 Months	60 Months	60 Months	36 Months	18 Months	

Honeywell Product Overview

Presentation Scanner

Product	Genesis 7580	Quantum T 3580	Orbit 7120/7180	Vuquest 4980	Solaris 7820
Description	Page 70	Page 70	Page 71	Page 71	Page 72
Characteristics	<ul style="list-style-type: none"> Presentation area imager for all 1D, 2D and PDF bar codes Code Select and FirstFlash 	<ul style="list-style-type: none"> Compact presentation scanner with sturdy housing Optional single-line mode 	<ul style="list-style-type: none"> Presentation scanner with hand-held scanner option Winner of several design awards Optional version with CodeGate available (MS7180) 	<ul style="list-style-type: none"> Extremely compact area imager Multi-purpose: portable or fixed installation 	<ul style="list-style-type: none"> Vertical mini-slot scanner Reads high density bar codes Capacitive Switch Technology
Special Features	Multi-interface connectivity to reduce total cost of ownership	Flexible base provides ideal adjustable angle	For cash desks with a shortage of space	Intelligent multi-interface with automatic recognition	Visual display of system functions Multifunctional RS232 auxiliary port
Warranty	24 Months	36 Months	36 Months	24 Months	24 Months

Mobile Data Collection

Product	Dolphin 6100	Dolphin 6500
Description	Page 74	Page 74
Characteristics	<ul style="list-style-type: none"> Integrated area imager – reads linear and 2D Robust construction in mobile phone format (IP54) Windows CE5.0 	<ul style="list-style-type: none"> Versatile multi-application mobile computer Integrated 2D imager with Adaptus 5.0 technology Microsoft Windows CE 5.0
Special Features	Bluetooth 2.0 integrated as standard, Wi-Fi (802.11b/g) optional	Bluetooth as standard, optional Wi-Fi (802.11b/g)
Warranty	12 Months	12 Months

Stationary Scanner

Product	Horizon 4600	StratosH 2300	Stratos
Description	Page 72	Page 73	Page 73
Characteristics	<ul style="list-style-type: none"> Installation laser scanner EAS deactivation standard Successor to the MS860 	<ul style="list-style-type: none"> Bi-optical installation scanner with two separate scan modules 360° scanning, 6-sided 5,800 scan lines/sec. Multi-interface Aux. port for additional handheld scanner 	<ul style="list-style-type: none"> Bi-optical installation scanner with two separate scan modules 360° scanning, 5-sided 5,800 scan lines/sec. Multi-interface Aux. port for additional handheld scanner
Special Features	Further peripheral devices and hand-held scanner can be connected	Optionally with integrated scales, EAS antenna	Checkouts with high product throughput; EAS antenna
Warranty	36 Months	36 Months	24 Months

Mobile Data Collection

Product	Dolphin 7600	Dolphin 9700	Dolphin 9900
Description	Page 75	Page 75	Page 76
Characteristics	<ul style="list-style-type: none"> Robust, compact mobile terminal Ideal for one-handed use Win CE 5.0 or, Mobile 6.0 Collects all 1D and 2D bar codes and signatures 	<ul style="list-style-type: none"> Robust mobile terminal for professional real-time data collection Integrated 2D imager GSM/GPRS, Wi-Fi (802.11b/g), Bluetooth Windows Mobile 6.5 	<ul style="list-style-type: none"> Data transfer and voice communication in real-time GSM/GPRS, Wi-Fi (802.11b/g), Bluetooth Reads 1D and 2D bar codes and scans digital images
Special Features	Optionally available with Wi-Fi, GSM, GPRS and GPS	Optionally available with GPS and as Healthcare-Version	Optionally available with GPS, as Healthcare-Version and with pistol grip
Warranty	12 Months	12 Months	24 Months
